

The background of the entire page is a large, stylized silhouette of a human head facing right. The interior of the head is filled with a collage of images representing different aspects of life and therapy. At the top, there's a scene of a family (mother, father, child) playing together. Below that, a pair of glasses sits on a surface. Further down, there are silhouettes of people holding hands in a circle, suggesting group therapy or support groups. Other elements include a sunflower, a modern interior with a sofa and window, and a street scene with buildings and a bicycle. The overall theme is holistic and community-oriented.
